

amended to J802R in F.R. Doc. 71-5781 published in the FEDERAL REGISTER (36 F.R. 7846) on April 27, 1971.

Subsequent to the publication of these amendments, it has been determined that the name of the waypoints listed as Hartsburg, Ill., and Emerald, Nebr., should be changed to Bradford, Ill., and Lincoln, Nebr., respectively because their location coincides with air navigation aids (VORTAC) so named. The purpose of this amendment is to make these waypoint name changes.

Since this amendment is editorial and minor in nature and no substantive change in the regulation is effected, notice and public procedure thereon are unnecessary. However, since it is necessary that sufficient time be allowed to permit appropriate changes to be made on aeronautical charts, this amendment will become effective more than 30 days after publication.

In consideration of the foregoing, F.R. Doc. 71-2822 (36 F.R. 4044) is further amended, effective 0901 G.m.t., October 14, 1971, as hereinafter set forth.

In J802R waypoint name "Hartsburg, Ill." is deleted and "Bradford, Ill." is substituted therefor. Also, waypoint name "Emerald, Nebr." is deleted and "Lincoln, Nebr." is substituted therefor.

##### Transfer of Eskatrol to Schedule II

A final order was published in the FEDERAL REGISTER on July 7, 1971 (36 F.R. 12734) transferring amphetamines and methamphetamine and their salts, optical isomers, and salts of their optical isomers from Schedule III to Schedule II of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (Public Law 91-513), with certain exceptions.

Application of the order to Eskatrol, a combination product for which a hearing was requested, was reserved pending review by the Bureau. Eskatrol, which contains 15 mg. of dextroamphetamine sulfate and 7.5 mg. of prochlorperazine, is manufactured by Smith Kline & French Laboratories.

A notice was published in the FEDERAL REGISTER on July 23, 1971 (36 F.R. 13689) scheduling a hearing regarding the transfer of Eskatrol to Schedule II for 10 a.m., on August 16, 1971, in Room

1210, 1405 Eye Street NW., Washington, D.C.

Smith Kline & French Laboratories withdrew its request for a hearing on Eskatrol on August 9, 1971 after a consultation with members of the Bureau.

Therefore, it is ordered, That:

1. Reservation of the application of the Bureau's order published in the FEDERAL REGISTER on July 7, 1971, be rescinded as to Eskatrol;

2. Eskatrol be transferred to Schedule II; and

3. The additional requirements imposed upon Eskatrol by virtue of its reclassification into Schedule II become effective as follows:

(a) *Labeling and packaging.* All labels and seals on commercial containers of, and all labeling of, the above controlled substance, which is packaged more than 180 days following the effective date of this order, shall comply with requirements of 21 CFR Part 302.

(b) *Order forms.* All distributions of the above controlled substance shall comply with the order form requirements of 21 CFR Part 305 by October 1, 1971.

(c) *Records and inventories.* All separate and other recordkeeping requirements of 21 CFR Part 304 for the above controlled substance shall be complied with by October 1, 1971. Records maintained and inventories taken prior to the above compliance date, which are in compliance with the recordkeeping requirements for Schedule III, shall not be affected by this order. No new inventories of the above controlled substance, in addition to that of May 1, 1971, is required as a result of this order. Where a positive conflict exists between the recordkeeping requirements of State and Federal laws and regulations, so that the two cannot stand together, Federal law governs in accordance with Section 708 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 903).

(d) *Prescriptions.* All prescriptions for the above controlled substance shall comply with 21 CFR § 306.01-306.15 within 30 days of the effective date of this order. Any prescription for the above controlled substance, which is entitled to be refilled under § 306.22 shall not be entitled to such refill in accordance with § 306.12 on and after the above compliance date.

(e) *Importation and exportation.* All importation and exportation of the above controlled substance shall be in compliance with 21 CFR Part 312, specifically as to import and export permits, within 30 days of the effective date of this order.

(f) *Security.* Since only the proposed order on security regulations for Schedule II controlled substances has been published, compliance with the present security requirements shall be deemed adequate pending publication of the final order on security regulations.

It is further ordered; That the hearing regarding the transfer of Eskatrol to Schedule II is hereby canceled.

This order is effective on the date of its publication in the FEDERAL REGISTER (8-18-71).

Dated: August 10, 1971.

Acting Director, Bureau of  
Narcotics and Dangerous Drugs.

(f) *Cancellation of border crossing identification cards.* (1) A nonresident alien border crossing identification card shall be canceled by a consular officer if information is developed indicating that the holder of such a card is ineligible to receive a nonimmigrant visa or by a District Director of the Immigration and Naturalization Service if he finds that the alien has violated the conditions of his admission into the United States.

(2) In canceling such a card the consular officer shall write or stamp the word "Canceled" plainly across the face of the border crossing card stamp, shall show the location of the consular office concerned and shall follow the procedures set forth in § 41.130.

The provisions of the Administrative Procedure Act (80 Stat. 383; 5 U.S.C. 553) relative to notice of proposed rule making are inapplicable to this order because the regulations contained herein involved foreign affairs functions of the United States.
